Mineral Palace Employee Spotlight

Jan Robertson is our February Employee in the Spotlight. Jan moved here two years ago from Lusk, Wyoming to the Spearfish area. She had worked in the Corrections Department for 6 years and decided to retire from the ranching business. Realizing retirement was not for her, she came to work at the Mineral Palace in the Gem Steakhouse as a Restaurant Supervisor. Jan does everything from the every day tasks to setting up and decorating for banquets. She enjoys her job and the employees she works with and loves to meet new people every day. Next time you see Jan tell her she's doing a delightful job.
